## Intro (2x)

**Gm7** / / / | **Gm6** / / /

## Verse 1

**Gm**  
The gates and doors were barred  
**F** **Gm**  
And all the windows fastened down  
I spent the night in sleeplessness  
**F** **Gm**  
And rose at every sound  
**Cm** **F** **Gm**  
Half in hopeless sorrow and half in fear the day  
**Gm** **F**  
Would find the soldiers breakin' through to drag us  
**Gm** / / / | / / **F**  
All a - way

## Verse 2

**Gm**  
And just before the sunrise I  
**F** **Gm**  
Heard something at the wall  
The gate began to rattle and  
**F** **Gm**  
A voice began to call  
**Cm** **F** **Gm**  
I hurried to the window, down into the street  
**Gm** **F**  
Ex - pecting swords and torches and the sound of  
**Gm** / / / | / / **F**  
Soldiers' feet

## Verse 3

**Gm**  
There was no one there but Mary  
**F** **Gm**  
And so I went down to let her in  
And John stood there beside me as  
**F** **Gm**  
She told us where she'd been  
**Cm**  
She said they've moved Him in the  
**Gm**  
Night and none of us knows where

**Gm**

The stone's been rolled away and

**F** **Gm**

Now His body isn't there

## Verse 4

**Gm**  
We both ran toward the garden  
**F** **Gm**  
Then John ran on a - head  
We found the stone and empty tomb  
**F** **Gm**  
Just the way that Mary said  
**Cm**  
But the winding sheet they wrapped Him  
**Gm**  
In was just an empty shell  
**Gm** **F**  
And how or where they'd taken Him was more than  
**Gm** / / / | / / **F**  
I could tell

## Verse 5

**Gm**  
Well something strange had happened there  
**F** **Gm**  
But just what, I did not know  
**F** **Gm**  
John believed a miracle but I just turned to go  
**Cm**  
Circum - stance and speculation couldn't  
**F** **Gm**  
Lift me very high  
**Gm** **F**  
'Cause I'd seen them crucify him then I saw  
**Gm** / / / | / / **F** /  
Him die

## Verse 6

**Gm**  
Back inside the house again  
**F** **Gm**  
The guilt and anguish came  
Everything I'd promised Him just  
**F** **Gm**  
Added to my shame
