

# One Day Jesus Will Call My Name

Play in B - capo 2

A D A  
Some days drag, and some days fly

A E7  
And some days I think of, the day I'll die

A D A  
Some days fill me, and some days drain

D A E7 A  
And one day Jesus, will call my name

A D A  
One day Jesus, will call my name

A E7  
As days go by, 'hope I don't stay the same

A D A  
I wanna get so close to Him, that's it's no big change

D A E7 A  
On that day that Jesus, calls my name

A D A  
Most days I pray, but some days I curse

A E7  
A sad number of days, I put myself first

A D A  
But it's not what I do, the cross made that plain

D A E7 A  
And one day Jesus, will call my name

Repeat chorus 3 times
